Important Instructions

1. Select shape of your spa and add dimensions in **inches**. Add dimension of radius corners if you have them. **Note hinge (fold) location with dotted line. This is critical.**
2. Select color.
3. Select foam type.
4. Select skirt length. (Over 4.5" surcharge applies)
5. Note special handles or fasteners. (Sizes or quantities over standard will add surcharge)
6. Your drawing of any special items that are not included in 1 through 5. Include your spa brand, model and year if known.
7. See our website for measuring instructions if needed.

Standards

All Covers will be made with the following specifications unless otherwise noted on order form:

- 2 Handles with one per half
- 4 Sure lock fasteners
- Standard Covers are sizes up to 96", 1lb foam, 4-2 inch taper, and skirt sizes up to 4.5"
- Standard hinge dimension is 1 inch wide and works with most cover lifters. If lifter bar is greater than 1 in **MUST CALL** and additional charges will apply.
